Dear Parents:

Because there is a risk of injury involved in participating in sports, our Education Committee requires that all of our students who participate in interscholastic sports (cross-country, basketball, volleyball, track, flag football, cheerleading, etc.) are to be covered by some form of health and accident insurance.

Students will not be allowed to practice or play with the school team until the signed form has been returned.

A new form should be filled in for each year of interscholastic sports participation.

STUDENT NAME: _____ GRADE: _____

Date: _____

CHECK ONE BELOW:

_____ My/Our child is covered by our own health and accident insurance policy that covers interscholastic sports (cross-country, basketball, volleyball, track, flag football, cheerleading, etc.)

_____ My/Our child is NOT covered by our own insurance policy – however, we will assume the full financial obligations in the event that he or she is injured in interscholastic sports (cross-country, basketball, volleyball, track, flag football, cheerleading, etc.)

If both parents are living, both must sign. If this is impossible, the parent or guardian signing assumes the full responsibility for granting his or her permission.

Train up a child in the way he should go, and when he is old he will not depart from it – *Proverbs 22:6*
