

RODGERS IMAGINE 351M

Dedicated July 2023

Zion Evangelical Lutheran
South Milwaukee, WI

Soli Deo Gloria

In 2022, Zion Evangelical Lutheran Church was blessed with a generous donation for acquiring an organ to support worship in our newly dedicated sanctuary. The committee researched, visited, and played several brands of organs before placing an order with Triune Music in fall 2022.

Dedicated in July 2023, Zion's new organ is a Rodgers Imagine Series 351M with three manuals (keyboards), full AGO pedal board, 51 main pipe organ stops, 30 pistons, and 50 memory levels.

Each drawknob (stop) represents four selectable sounds, resulting in a total of 198 *Voice Palette™* stops spread across 4 unique organ styles: American Eclectic, English Cathedral, French Romantic, and German Baroque. In addition to these 198 stops, the customizable Organ Stop Library provides another 88 pipe organ stops and ensembles while the Orchestral Library offers 37 premium orchestral voices. With a total of 323 choices at their fingertips, organists can create registrations (collections of stops/sounds) for any style and period of organ literature.

The organ console sits on a moveable platform and has speaker connections on either side of the sanctuary with a cable long enough to reach the center of the sanctuary. This setup allows for maximum flexibility and an ability to utilize the organ in several areas of the space as needed for worship, ensemble support, or solo playing.

Respectfully submitted by the organ search committee:
